

The business people – an extension to your team

# Merchant services

Get the best deal on your card processing costs

**If your business accepts card payments or is looking to accept card payments, the Forum can help you ensure you are paying the most competitive card processing rates in the marketplace.**

Through expert advice and a free brokerage service, Forum members save time and money on every aspect of taking payment by card, with typical savings of 30% on existing card processing costs.

## Benefits to members

- ▶ Discounted card processing rates and no set-up fee
- ▶ Merchant accounts with no minimum monthly service charge, subject to acceptance (particularly beneficial to members with seasonal businesses or low card turnovers)

**These benefits are exclusive to Intermediate and Advanced Forum members – they are not accessible to other businesses.**

## About Accept Cards Ltd

**This service is available to Forum members through our partner, Accept Cards Ltd.**

Founded and operated by industry experts since 2005, Accept Cards is the UK's leading independent consultancy offering advice on all areas of credit and debit card processing. They specialise in matching business needs to the lowest prices available from the card processing banks.

Advantages of the service:

- ▶ Choice of processing banks and very low transaction charges
- ▶ Flexible options on the latest card machines (counter top/static, wireless or GPRS/mobile)
- ▶ Advice on a wide range of cost-effective and secure solutions for online payments, from virtual terminals to full e-commerce shopping carts for websites
- ▶ FREE authorisation calls available
- ▶ Simple to switch and no need to change business bank account
